ebook (ePUB), by Julie A. Mertus It has become routine for the US government to invoke human rights to justify its foreign policy

*Bait and Switch: Human Rights and U.S. Foreign Policy* ...

Based on extensive interviews with leading foreign policymakers, military officials, and human rights advocates, Mertus tells the story of how America's attempts to promote human rights abroad have, paradoxically, undermined those rights in other countries. The second edition brings the story up to date, including new sections on the second half of the Bush administration and the Iraq War, and
