Similar to his Parth book, Gilmore's Vivier biography describes the composer's works in detail. This has extra significance in Vivier's case, because his music was undeniably autobiographical. Writing about the man and the music with an engaging warmth, the author strikes a rare balance between putting Vivier in a meaningful context and leaving much of the enigma intact. Some of the mystery is heightened rather than put to rest, for instance, through contrasting accounts of Vivier's Arthur Kaptainis: Excellent biography of composer Claude ...
