Complementary Therapies in Nursing and Midwifery from Vision to Reality By Chetan Sharma , Pauline McCabe , Wilson Jeremiah Moses , Yasuhisa Nakamura

Complementary Therapies in Nursing and Midwifery from vision to practice speaks to nurses and midwives about the integration of complementary therapies into practice.

Nursing and Complementary Therapies: A Natural Partnership

This chapter illustrates the natural partnership between nursing, midwifery and complementary therapies, drawing on historical and contemporary material. It asks the question: how might complementary therapies influence nursing theory and practice and looks at some of the challenges these therapies pose to nurses understanding of illness and healing.
