### Criminal Liability for Intellectual Property Infringement ...

The need to ensure the protection of fundamental rights in intellectual property law has been acknowledged both by the EU legislature and by the Court of Justice. However, the specific relationship between criminal sanctions in intellectual property law and fundamental rights protection has received little attention. It is my aim, in this chapter, to make a preliminary survey of the role that

### The concept of Intellectual Property: Origin and Developments

The concept of Intellectual Property is define in general is that the important feature of property is that the proprietor or owner may use his property as he wishes and that nobody else can lawfully use his property without his authorization. Of course there are certain recognized limits for the
