Description of the book "Data Protection Vs Freedom of Information: Access and Personal Data": The Freedom of Information Act (FOI) was a milestone in UK legislation and, for the first time, the lid was legally lifted on a lot of what the UK government was doing in the name of the citizens of the country.

Data Protection vs. Freedom of Information by Paul Ticher ...

The pocket guide also considers situations where disclosure of information about individuals under the Freedom of Information Act would not be in breach of the Data Protection Act because of the public interest in such disclosure.

Data Protection | Paul Ticher

Data Protection and Freedom of Information are often seen as intertwined. For public authorities this can certainly be the case. In the interests of open government, a public authority must (subject to a series of exemptions) provide information about its activities to anyone who puts in a request.
