Error Correction in the Foreign Language Classroom

ebook ...

This account places an equal emphasis on the relevant theoretical claims, the most recent research findings and everyday pedagogical concerns, particularly as they apply to the teaching of additional languages in the foreign language setting. The book will be of relevance and significance not only to specialists in the field of second language acquisition, but also to graduate and doctoral

Error Correction in the Foreign Language Classroom

...

The author could have written the book in simpler language by using smaller sentences. This would have added a few pages to the book but it could have certainly made the book more accessible and useful to the graduate students, especially non-native graduate students like me.
