[Good Grief by Lolly Winston - Goodreads](#)

Good Grief was on a bookshelf at my job last winter and I picked it up, read the first few chapters, and loved it. It chronicles Sophie's mental breakdown after she loses her husband to a cancer. Sounds very Lifetime-movie-of-the-week, I admit, but Winston managed to write something serious and make it tender and funny at the same time. I was bummed when the book went missing and kept

[Lolly Winston \(Author of Good Grief\) - Goodreads](#)

Born and raised in the glamorous insurance capital of Hartford, Conn., Lolly Winston holds an MFA in creative writing from Sarah Lawrence College, where she wrote a collection of short stories as her thesis.

[Good Grief: Amazon.ca: Lolly Winston: Books](#)

Good Grief is a strikingly original work filled with charm, truth, and a heaping helping of sharp wit. First time author Lolly Winston, who resides in California, succeeds at the difficult task of taking a delicate subject and having fun with it without being offensive. The novel reminded me a lot of Dave Eggers' "A Heartbreaking Work of Staggering Genius" in style and content. I highly

My name is Sophie and I've joined the grief group because . . . well, because I sort of did a crazy thing. I drove my Honda through our garage door. I was coming home from work one night and even though my husband has been dead for three months I honestly thought I would run inside and tell him to turn on the radio because they were playing an old recording of Flip Wilson, whom he just

[Good Grief - Lolly Winston - Author Biography](#)

After her depression began to subside, Winston realized she wanted to write about what grief was really like including "the messy, quirky aspects of grief."

Accordingly, the heroine of Good Grief sleeps in her late husband's shirts, eats Oreos by the package and drives her car through the closed garage door.

Good Grief Lolly Winston review by Amy Scribner, April 2004 A young widow's triumphant journey through grief During the first few months of Sophie Stanton's life as a widow, she goes to work dressed in her bathrobe, finds herself sobbing in the produce section of her local grocery store and is crippled with fear by the pattern on her shower curtain. It is safe to say she is deep in

In this funny, fresh, and utterly believable New York Times bestseller, a young woman struggles to build a new life after the death of her husband (Publishers Weekly). 36-year-old Sophie Stanton loses her young husband to

Good Grief book by Lolly Winston - ThriftBooks

"Good Grief" had me laughing out loud several times and also made me shed some tears. From the very beginning of the book, it was so easy to relate to Sophie. She's a real character who loses some of her sanity under tragic circumstances and then fights to get it back. All in all, this is a great book that I would highly recommend to anyone looking for a well written, emotional yet funny story.

Fiction Book Review: GOOD GRIEF by Lolly Winston, Author ...

"The grief is up already. It is an early riser, waiting with its gummy arms wrapped around my neck, its hot, sour breath in my ear." Sophie Stanton feels far too young to be a widow, but af

Lolly Winston: Good Grief - AUX

Death provides one of the great themes of literature, and how a culture deals with death provides one of the great themes of anthropology, because our talk about death tells us what meaning we attach to life. Lolly Winston's absorbing novel Good Grief merges the anthropological curiosities of 21st-century American culture with the intimate

Good Grief by Lolly Winston, Paperback | Barnes & Noble

Editorial Reviews. Where Good Grief does have an authentic ring is in its intermittent descriptions of illness

and loss. At such moments as when Sophie looks at pictures of her husband and realizes "that photo paper, cardboard, leather and gold trim outlast most people" a hint of bitter honesty does emerge.
