Our Lady of the Forest is the rare kind of book that, while  
being highly philosophical and intellectual, still remains  
entertaining for the reader, a thing that can only be  
attributed to Guterson's realistic and touching characters  
and his storytelling skills. You will love to hate these  
people, and hate to love them as well. Mixed emotions is  
just the thing Our Lady of the Forest wants you.

I'm a fan of David Guterson, and I read him with attention  
to craftsmanship, because in many respects he writes with  
a style I'd like to emulate in my own works, and  
somerimes with similar choice of themes, as in Our Lady  
of the Forest.
