Get this from a library! Partnerships, New Labour and the governance of welfare. [Caroline Glendinning; Martin A Powell; Kirstein Rummery;] -- Current policy encourages 'partnerships' - between statutory organisations and professionals; public and private sectors; with voluntary organisations and local communities. But is this collaborative

Partnerships, new labour and the governance of welfare ...

The concept of 'partnership' assumes many different forms in the complex world of British social welfare. This book provides a clear and comprehensive account of the origins and many practical applications of this concept.

Partnerships, New Labour and the governance of welfare on ...

In Chapter One, Powell and Glendinning discussed the significance of partnerships for the new Labour government in the UK, which was, at the time of writing, starting its second term of office. Notwithstanding the definitional difficulties of the concept of partnership working within the welfare state, they asserted that the emphasis within New Labour rhetoric and policy on collaboration
