[Review: Photography and Literature by Fran ois Brunet ...](#)

Today, photography is the "new muse of literature" and it subverts the very reality its images were once thought to reflect with such veracity. It is, argues Brunet, "writing with light" - an idea.

[Photography and Literature by Fran ois Brunet from ...](#)

Photography and Literature Fran ois Brunet Roland Barthes, one of photography's most influential critics, once described the trouble introduced by the advent of photography. Studies of literature and photography tend to assess the literary effects of photography, with literature seen as the older, broader, more established cultural form, and photography the new, alien upstart.
