Gould ...

Gould's questions and learned answers, weaving many  
historical and scientific facts, are a loving inquiry into the  
human need for order in a vast and teeming universe. From  
Library Journal Gould is the latest (though certainly not the  
last) thinker to publish his ruminations on the coming  
millennium.

Questioning the Millennium - Wikipedia

Questioning the Millennium. Questioning the Millennium  
is a 1997 book by Stephen Jay Gould that deals with the  
definition and calculation of the millennium, and its  
meaning in Western culture. New York Times reviewer  
Robert Eisner described it as a "slim and attractive  
meditation," which touches upon calendrics, Biblical  
exegesis, millennial cults.

**Questioning the Millennium Stephen Jay Gould | Harvard ...**

Gould addresses three questions about the millennium with his typical erudition, warmth, and whimsy: What is the concept of a millennium and how has its meaning shifted over time? How did the projection of Christ's 1,000-year reign become a secular measure? And when exactly does the millennium begin -- January 1, 2000, or January 2, 2001?
