(PDF) Rethinking the Middle East ; Efraim Karsh
This is a critical review of Karsh's Rethinking the Middle East. The core theme of the book is that regional factors and actors rather than great political powers have played a primary role in the

Rethinking the Middle East: Efraim Karsh: 9780714654188 ...

Rethinking the Middle East runs counter to the received wisdom in modern Middle East studies. This discipline has been dominated by what may be termed a "culture of victimization"; it views the local populations of the Middle East Arabs in particular as the hapless victims of alien encroachment, and blames the region's endemic malaise on Western political and cultural imperialism. The author contends that the influence of the Great Powers has not been the primary force behind the region's
