Roofing Failures: Carl G. Cash: 9780415299251: Books ...

This book is a gem of distilled wisdom from the late great Carl Cash, who really was at the pinnacle of roofing science and engineering. Getting someone like that, with all his experience, to write these many little case studies is fantastic. For someone just learning about roofs, this wont be as good a book I dont think. His style is approachable, he avoids jargon, and is really trying to
