China : Sustainable Development Knowledge Platform

In September 2015, H.E. Xi Jinping, President of China, attended the United Nations Sustainable Development Summit and joined other leaders in endorsing the 2030 Agenda for Sustainable Development, providing guidance to national development of member states and international development cooperation in the next 15 years.

Sustainable planning for a rural community, Beijing, China

Subsistence living conditions drive millions of China's rural poor into the cities. Concurrently farming land is converted to new uses. Sustainable planning for a rural community is a pilot project in Beijing's urban sprawl.
