Imagine a 40-page book and you have The 5-Minute Teacher. The design of the Arias series is to provide teachers practical information that could be read in one night and applied the next day. This book does that. There are 3 lists that might provide teachers food-for-thought as well as practical ideas they could implement in tomorrow's lesson: planning, things to include in a lesson and digital tools. Barnes' premise is that teachers "teach" for 5 minutes and student "process" 10-15 (or more). [T](#)
