[The Political Economy of Small European States: And](#)

...

An independent Scotland would be a small European state. Small states may be at a disadvantage in world markets but can also adapt successfully. There are different modes of adaptation, notably the market-liberal mode and the social investment state. Either mode is dependent on internal institutions, social relationships and modes of policymaking.

[The Nordic countries are socialist and their achievements ...](#)

social democracy is a branch of socialism, or at least a hybrid of capitalism and socialism. in practice it's pretty much the opposite of marxism, but historically and philosophically they are related
