His latest collection, Time and the Tilting Earth, offers

many pleasures. Chief among these are Williams's way of entwining the pure earthiness of language as it's spoken with rigorous metrical precision, and, analogously, his affection for the quotidian, with an insistence on confronting unanswerable but unavoidable existential problems. In poem after poem, he mingles the low and the high in both form and content, bringing a sense of clear-eyed practicality to life's big questions and a
