...

In this authoritative work, Yuval Elmelech investigates the  
role that family transactions of material resources play in  
the stratification system. Drawing on empirical evidence  
from a broad array of sources, *Transmitting Inequality*  
provides an interdisciplinary framework for examining the  
social, demographic and institutional structures that shape  
the distribution of property and wealth in the

Transmitting inequality : wealth and the American family. [Yuval Elmelech] -- "While the United States is the world's richest nation, the distribution of private property and wealth among Americans is often comprised of alarmingly disparate portions. With a rapidly aging and

...

This book is a welcome and important contribution to the stratification literature. Elmelech introduces an original conceptual framework for the study of stratification and inequality by delineating the social mechanisms underlying the causal relations between parental wealth and children economic wellbeing.

Scholars - Levy Economics Institute

Scholars Yuval Elmelech is a research associate in the Institute's Immigration, Ethnicity, and Social Structure program, and an associate professor of sociology at Bard College. His research areas include wealth inequality and intergenerational transfers, poverty, immigration and racial/ethnic inequality, and marriage and family.
